ACCESS LAND

DANGER AREA

Firing and test ranges in the area. Danger! Observe warning notices

England and Wales

- Access information point
- Access land
- Access land in wooded area within sand
- Coastal margin

Portrayal of access land on this map is intended as a guide to land normally available for access on foot, for example access land created under the Countryside and Rights of Way Act 2000, and land managed by the National Trust, Forestry Commission, Woodland Trust and Natural Resources Wales.

Access for other activities may also exist. Some restrictions will apply; some land will be excluded from open access rights.

The depiction of rights of access does not imply or express any warranty as to its accuracy or completeness. Observe local signs and follow the Countryside Code.

SCOTLAND

- National Trust for Scotland, always open
- National Trust for Scotland, limited access – observe local signs
- Forestry and Land Scotland, normally open – observe local signs
- Woodland Trust Land

In Scotland, everyone has access rights in law (Land Reform Scotland Act 2003) over most land and inland water, provided access is exercised responsibly. This includes walking, cycling, horse-riding and water access, for recreational and educational purposes, and for crossing land or water. Access rights do not apply to motorised activities, hunting, shooting or fishing, nor if your dog is not under proper control.
